

Dear Friends,

On behalf of the Ulster County Music Educators' Association and all of our young, talented musicians throughout Ulster County, we would like to invite you to help support our music students. Annually, thousands of people attend our concerts to watch and listen to Ulster County students in grades K-12 perform in four All-County Music Festivals, making this a great venue for advertising your business, organization or college.

If you have supported us in the past, we thank you for your generous contribution. We ask you to continue your support at the same level, or to consider contributing at a higher level. Like last year, we are offering various contribution packages.

If you are a new contributor please take note of the following packages we offer as a benefit to you and as our way of saying thank you for your support:
